MATRIMONIAL.

Joseph Baugh and Miss Ada Young were made one at Mrs. Margaret Young's Sunday.

Mr. and Mrs. Thomas A. Hoover, of Wilmore, celebrated the 50th anniversary of their marriage a few days ago.

Judge J. S. Owsley performed his first marriage Saturday when he joined heart and hand Eugene Frances and Miss Susie Dabney. The ceremony is said to have been a most impressive one.

In a divorce suit filed at Bedford, Ind., Edith Logan, a bride of a week, charges that she was forced to marry to save the life of her lover, whose life was threatened unless she would agree to marry her present husband.

The court of appeals decided that even if a man believed he had been divorced from his wife no plea could be made against conviction for bigamy upon his second marriage when the facts showed he had not been divorced.

Mrs. Ophelia Dunn, a handsome widow, and W. A. Price, a wealthy farmer, both of Garrard, were married at the Christian church at Lancaster, Eld. F. M. Tindler performing the ceremony. The bride is the mother of Miss Ethel Dunn, of the Stanford Graded School faculty, and the groom a brother of Dr. A. S. Price, of this place.

Biliousness And Constipation.

"For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been to-day had I not tried Chamberlain's Stomach and Liver Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, helping the system to do its work naturally."—Mrs. Rosa Potts, Birmingham, Ala. These tablets are for sale by all druggists.

"In accordance with custom and the proclamation of the President of the United States, I hereby appoint Thursday, November the 28th as a day of Thanksgiving and prayer throughout the Commonwealth. It is expected on that day that all of our people shall refrain from their usual business employments and give thanks to the All-wise Ruler who has so generously blessed us as a nation, and who has so bountifully provided for us." Thus reads Gov. Beckham's Thanksgiving proclamation.

A Hard Debt to Pay.

"I owe a debt of gratitude that can never be paid off," writes G. S. Clark, of Westfield, Iowa, "for my rescue from death, by Dr. King's New Discovery. Both lungs were so seriously affected that death seemed imminent, when I commenced taking New Discovery. The ominous dry, hacking cough quit before the first bottle was used, and two more bottles made a complete cure." Nothing has ever equaled New Discovery for coughs, colds and all throat and lung complaints. Guaranteed by Penny's Drug Store 50c and \$1. Trial bottle free.

Returning confidence makes the financial outlook brighter than it has been for a week and the only thing that is causing trouble now is the tendency to hoard currency. Henry Clews, in his weekly letter, says that the person who hoards money now should be regarded as a traitor. Millions of gold is now on its way to this country and will help to relieve the situation.

It turns out that the county from which the Powers jury was ordered to be summoned was flooded with the arch conspirator's book containing his arguments for himself. This seems to be an attempt on his part to "muddy the streams of justice," as accused the sheriffs of doing.—Frankfort Journal.

A Good Liniment.

When you need a good, reliable liniment try Chamberlain's Pain Balm. It has no superior for sprains and swellings. A piece of flannel slightly dampened with Pain Balm is superior to a plaster for lame back or pains in the side or chest. It also relieves rheumatic pains and makes sleep and rest possible. For sale by all Druggists.

The "water wagon" wins in old Kentucky. The State has gone Republican and "dry." The moon is dark, alas! there is no moonshine, so my old Kentucky home, good-bye.—N. Y. Herald.

A Methodist Minister Recommends Chamberlain's Cough Remedy.

We have used Chamberlain's Cough Remedy in our home for seven years, and it has always proven to be a reliable remedy. We have found that it would do more than the manufacturers claim for it. We do not understand how the recent democratic defeat can be ascribed to Gov. Beckham. He has done more for the party in the last few years than many of his enemies. He is the nominee of the party for United States Senator and we consider all democratic Representatives bound by the primary to support him—the Courier-Journal to the contrary notwithstanding.—Blue-Grass Clipper.

The finest Coffee Substitute ever made has recently been produced by Dr. Shoop, of Racine, Wis. You don't have to boil it 20 or 30 minutes. "Made in a minute" says the doctor. "Health Coffee" is really the closest coffee imitation ever yet produced. Not a grain of real coffee in it either. Health coffee imitation is made from pure toasted cereals or grains, with malt, nuts, etc. Really it would fool an expert—were he to unknowingly drink it for coffee. Penny's Drug Store.

Secretary Cortelyou was the principal speaker at a reception given by the Merchants' Association of New York. Referring to the financial situation Mr. Cortelyou declared that the weak points had been strengthened and if any man had been guilty of violation of trust that made him amenable to the law the people might feel confident that the processes of law would be invoked. On the question of currency reform Mr. Cortelyou advised against ill-considered legislation, saying that panic in legislation is worse even than panic in business. "What is needed is fewer and better laws and better enforcement of them," he declared.
